

# Alligator In My Refrigerator!

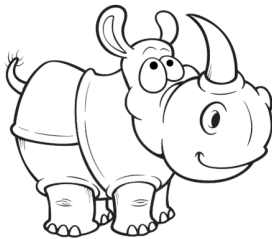

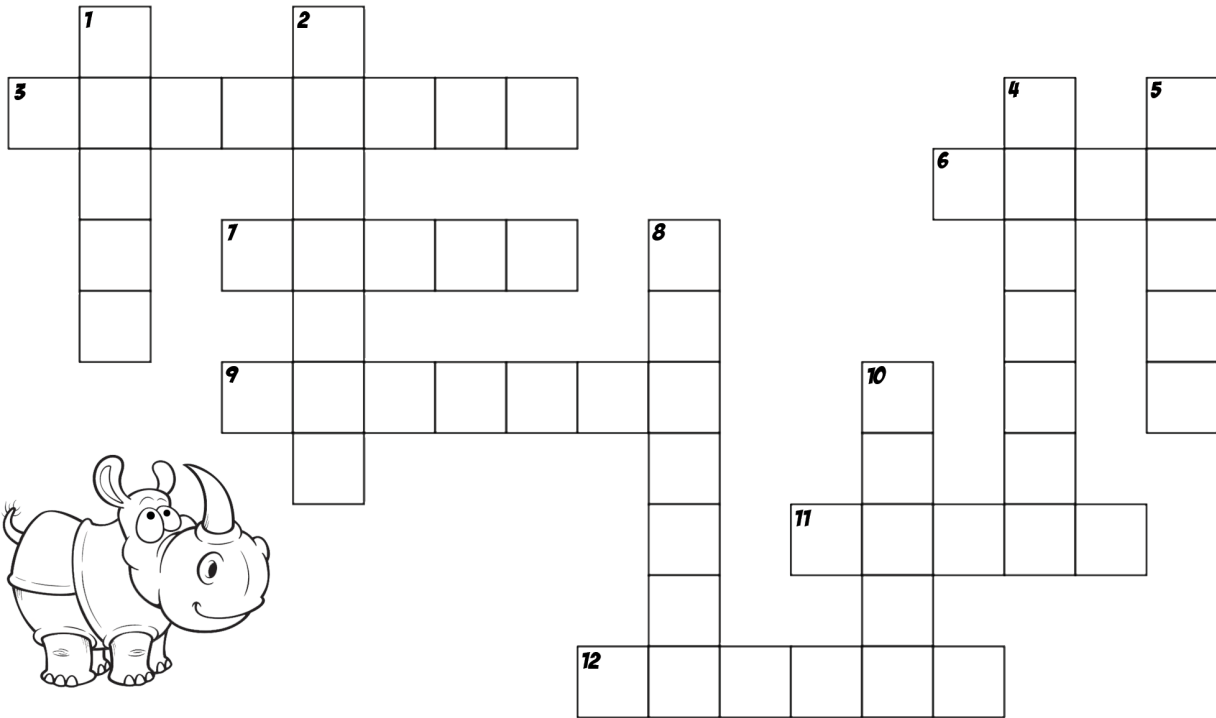

Hopefully you will never have an alligator raid your refrigerator, but if you did, what would the alligator be looking for? Circle the things in the refrigerator that are for alligators and not humans.

Alligators rummage around for food in the... **MARSH MUD!**

# IT'S A NO-NO TO KISS A RHINO!

It's a big no-no to try and kiss a rhino, but rhinos are amazing animals to observe and investigate. Like rhinos, many animals have amazing features that make them unique. Can you guess what animals match these clues?

## ACROSS

- 3. This large animal has a trunk and tusks.
- 6. This animal is called the king of the jungle.
- 7. This horse-like animal has black and white stripes.
