

Blackbeard Was a Pirate

Ahoy, matey! Blackbeard was one of the most fearsome pirates to sail the seven seas. Now you can be a pirate too! Strap on your boots and raise your flag... it's a pirate's life for you!

X MARKS THE SPOT!

No one has ever found where Blackbeard buried his treasure. Draw a treasure map of where you would bury your treasure around your school or house!

HOIST THE JOLLY ROGER!

Every pirate ship has its own unique flag known as a Jolly Roger. This helps fellow pirates identify other ships. What would your Jolly Roger look like? Draw your very own flag below.
